Professional Development: Free Online Fundraising Courses Offered by the Foundation Center

The Foundation Center offers many free (and some fee-based) courses online at: <http://foundationcenter.org/getstarted/training/online/>

Free Courses Available:

- Foundations and Their Role in Philanthropy: A detailed overview of the world of private foundations.
- Finding Foundation Support for Your Education: Guides students through the process of seeking financial support from foundations to pursue their studies.
- Introduction to Fundraising Planning: Learn to develop a fundraising plan that includes a variety of revenue sources for your nonprofit organization.
- Getting Ready for Foundation Fundraising: An overview of the first steps nonprofits need to take to become viable, effective organizations in preparation for fundraising.
